Workshops and Achievements:

1. Attained three days workshop held at BLDEA's CET on the USE OF ALTERNATIVE SAND.
2. Co-ordinate of the above workshop.
3. Worked as FUNCTIONAL REPRESENTATIVE at ACE held at JCE, Belagavi.

Projects Undertaken:

B.E. project titled with "Structural Analysis And Design Of A Multi-Storey Structure" using e-tabs. Project deals with the analysis and design of a multi storied residential building by using most economical column method. It is done by using a software package ETABS of 13.2.2 version. The design is in confirmation with is 456-2000.

P.G. project titled with "Seismic Analysis Of Flat Slab buildings with shear wall using IS1893:2016". Project deals with comparison of flat slab building with and without shear wall in all 4 seismic zones for medium soil. The results of these 2 buildings are compared with conventional building and concluded that flat slab with shear wall is much better than conventional building and flat slab without shear wall building.

Internship:

I had completed my internship at Design Tree Service Consultants Pvt Ltd in Bangalore for the period of 6 months under design section using the software Etabs.
