|-------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| 27.07.2015 - 21.05.2020 | Bachelor of Engineering in Civil Engineering University of Mumbai, India Gharda Institute Of Technology, Lavel Grade : 6.6 CGPA (61 %) |
| 20.02.2014 – 12.02.2015 | Higher Secondary School Education New English School & Jr. College Kherdi-Chinchghari Sati, India Grade : 56.92 % |
| 20.02.2012 – 12.02.2013 | Secondary School Education New English School & Jr. College Kherdi-Chinchghari Sati, India Grade : 85.64 % |

PROJECTS

| | |
|-----------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 07.2019-03.2020 | Experimental Study on Foamed Polymer Concrete. The production of foamed polymer concrete is advancement in concrete technology because its lighter in weight, low cost, less water absorption, fire resistant as compared to conventional concrete. |
|-----------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

| | |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| VOCATIONAL TRAINING | D.D.S. BUILDCON PVT. LTD. Tal- Chiplun, Dist- Ratnagiri. 13 Days Vocational Industrial Training from 18 th june, 2019 to 30 th june 2019. |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

| | |
|------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| INDUSTRIAL EXPOSURE'S | Koyna Dam D05104 Koyna Nagar, Maharastra India. Shri Laxmi Common Effluent Treatment Plant Association Plot No. 7-11, Phase -1, Sector B Shree Laxmi Co-op. Industrial Estate Ltd, Ichalkaranji, Maharashtra 416109. |
|------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

SKILLS

| | |
|-----------|-------------------------------------------------------------------------------------------------------------|
| Languages | English, Marathi, Hindi |
| Technical | Software: AutoCAD, Revit (Arch), E-Tabs , Google SketchUp. Office Utilities: MS Word, MS Power-point. |

Work Experience

1 year experience at H & Z Associates as an Structural Engineer.

Achievements

Selection in **ICACSE-2020** Conference for “Exprimental Study on Foamed Polymer Concrete”.

The Paper entitled “Experimental Study on Foamed Polymer Concrete”, published Online in **IJRESM** (Volume- 3, Issue-5, May-2020).

Successfully passed **E-Quiz** on Geotechnical Engineering, Concrete Technology and Waste Water Engineering.

**COCURRICULAR
ACTIVITIES**

Participated in “Rex-2020” for BE Project at Metropolitan Institute Of Technology And Management (MITM).

Event Co-ordinator in SHODH 2K18

Attended fifteen day’s workshop on AutoCAD

Participated in webinar on “Applications of Fuzzy Logic in Civil Engineering”.

INTERESTS/HOBBIES

Private

Exploring new places, playing outdoor games, Art, Dancing, Crafting.

Business

Efficient team working person, Time bounded and Curious to learn new things.

Shambala Sudhakar Kamble 2.10.20, Chiplun.
